**14. Small Business Development Program (SBDP):**

The Houston Community College System's Small Business Development Program ("SBDP" or the "Program") was created to provide business opportunities for local small businesses to participate in contracting and procurement at Houston Community College (HCC).

The SBDP is a goal-oriented program, requiring Contractors who receive Contracts from HCC to use Good Faith Efforts to utilize

certified small businesses. The Program applies to all Contracts over \$50,000, except Contracts for sole-source items, federally funded Contracts, Contracts with other governmental entities, and those Contracts that are otherwise prohibited by applicable law or expressly exempted by HCC. The SBDP is a race and gender-neutral program, however HCC actively encourages the participation of minority and women-owned small businesses in the SBDP.

To participate, small businesses must be certified by an agency or organization whose certification is recognized by HCC. Certification is based on the firm's gross revenues or number of employees averaged over the past three years, inclusive of any affiliates as defined by 13 C.F.R. § 121.103, does not exceed the size standards as defined pursuant to Section 3 of the Small Business Act and 13 C.F.R. § 121.201.

HCC recognizes certification by the following governmental and private agencies: Metropolitan Transit Authority of Harris County (METRO) SBE Certification, City of Houston SBE, MWPDDBE and DBE Certifications, Texas Department of Transportation SBE Certification, City of Austin SBE Certification, South Central Texas Regional Certification Agency SBE Certification, Small Business Administration 8(a). For more information regarding SBE Certifications go to <http://www.hccs.edu/about-hcc/procurement/small-business-procurement/>.

Good Faith Efforts: HCC will make a good faith effort to utilize small businesses in all contracts. The annual program goals may be met by contracting directly with small businesses or indirectly through subcontracting opportunities. Therefore, any business that contracts with HCC will be required to make a good faith effort to award subcontracts to small businesses. The subcontracting goal applies to all vendors regardless of their status. By implementing the following procedures, a contractor shall be presumed to have made a good faith effort:

- a. To the extent consistent with industry practices, divide the contract work into reasonable lots.
- b. Give notice to SBDP eligible firms of subcontract opportunities or post notices of such opportunities in newspapers and other circulars.

- b. Certified small business prime contractor that meets the SBE Bonus Points subcontracting commitment using a certified small business subcontractor – automatically eligible for maximum available SBE Bonus Points.
