I. General Information:

Houston Community College and the Houston Community College System Public Facility Corporation, collectively, (HCC) or (College) is seeking Statements of Qualifications (SOQ) from professional qualified companies interested in providing HCC with Project Management Services (PM) to execute HCC's Bond Program. HCC requires consistent high quality delivery of all projects/professional services to meet schedules and budgets.

The selected firm will be expected to perform the services in accordance with the Scope of Services and Specific Conditions set forth in Section VII and in accordance with the requirements of this solicitation.

It is anticipated that HCC will recommend for award the top three (3) qualified respondents resulting from the evaluation process under this solicitation.

HCC intends to make separate award(s) to each Project Management Team, A, B and C (as illustrated in the draft hierarchy) for the Project Management Services as deemed in the interest of transparency, and to limit potential conflicts of interests. The selected Project Managers awarded a Project Management Services Contract and any subsidiaries (under this solicitation), will not be eligible for award of the following bond related projects: RFQ for Program Management Services, RFQ for Architect & Engineering (A&E) Services, or other Construction based solicitations related to the 2013 Bond.

NOTE: In an attempt to eliminate any potential, OR even the appearance of a conflict of interest, HCC will award separate firms to be used for each of the following: Program Management Services, Project Management Services, Architect & Engineering Services and Construction projects as related to the 2013 Bond.

HCC reserves the right to reject any or all qualification submittals or to accept any qualification submittals it considers most favorable to HCC, or to waive irregularities in the qualification and submittal process. All applicable attachments contained in the RFQ shall be completed. Failure to do so may result in the firm's Qualifications Submittal being declared non-responsive to the solicitation requirements.

Note: Attachments 1, 2, and 4 must be signed and notarized.

Information provided in response to the Request for Qualifications (RFQ) is subject to the Texas Public Information Act and may be subject to public disclosure.

This Procurement, any award under this procurement, and the resulting contract, if any, is subject to approval by HCC Board of Trustees. Subsequent to Board approval, the only person authorized to commit HCC contractually is the Chancellor or designee. This solicitation is a request for qualifications and neither this solicitation nor the response or proposal from any prospective proposer shall create a contractual relationship that would bind HCC until such time as both HCC and the selected proposer sign a legally binding contract, which includes, without limitation, the terms required by HCC as set forth in the Scope of Work/Services and this RFQ.

It is anticipated that the contract term will be through the successful completion of all bond related projects, including individual project close-out covered under the \$425 million bond that was approved in the November 2012 Bond Referendum Election. The initial projection for the project duration is estimated at five (5) years.

By submitting its Statement of Qualifications (SOQ) in response to this RFQ, Proposer accepts the evaluation process and acknowledges and accepts that determination of "most-qualified" firm will require subjective judgments by the Evaluation Committee.
